+971 52 192 2195

Dubai, UAE

fathima.uxuideveloper@gmail.com

I'm a versatile UX/UI Developer and Researcher with a passion for crafting user-centric digital solutions. With 8 years of experience and a strong foundation in UX research, UX/UI designing, and front-end development, I specialize in creating intuitive, responsive web applications that deliver seamless user experiences. I thrive on transforming user insights into engaging interfaces that not only look great but also function flawlessly across all devices and provide digital Marketing Support.
